What is the NJSFSC?

A group of outdoors enthusiasts, founded in 1935, that believes that hunting, fishing and trapping play a vital role in natural resource conservation.

Who are the NJSFSC?

Sportsmen like you that care enough about their sport to be active so that the goals of the NJSFSC can be achieved.

They are:

- Individual Sportsmen
- Members of hunting and fishing clubs

Members of Statewide Sportsmen Groups like:

- United Bowhunters of NJ
- NJ Trappers Association
- Jersey Coast Angler's Association

Members of National Sportsmen Groups like:

- National Turkey Federation
- Trout Unlimited
- Ducks Unlimited

The focus of the NJSFSC is to represent all NJ Sportsmen in the public forums by:

- Defending Sportsmen's rights
- Actively involved in legislation
- Fighting for Conservation and protection of natural resources
- Development and expansion of wildlife habitat
- Opportunities for outdoor recreation
- Reintroduction of native species - Wild Turkey
- Publicizing Sportsmen contributions
- News releases, Sport shows
- Mentoring programs that teach safety and values.
- Fishing derbies, youth hunts, safety instructions
- Leaving an environmental legacy for our descendants

"PROTECTING OUR HERITAGE"

How does NJSFSC work?

- County level — Clubs and individuals can belong here.
- Regional level — Counties are grouped into 3 Regions: North, Central & Southern
- State Level — Delegates from each County organization
- Statewide or State Chapters of National Organization's
- 14 Statewide and National Organizations seated.

All State delegates are given a vote at State meetings, Delegates present and vote on issues at the State Level. State's position based on vote of delegates. Federation nominates and elects 6 members to Fish and Game Council. Two Council members represent each of the three Federation Regions. This was done because issues facing Sportsmen seem to be Regional in nature.

Fish & Game Council was established by State statute to represent NJ Sportsmen. They set seasons and bag limits based on the scientific data provided by The Division of F&W. The Fish and Game codes have the direct input of the Sportsmen through their council representatives.

The Division of F&W is funded by dedicated funds secured by license and permit sales as well as fines collected and Federal funds collected from sporting goods sales. You fund it, so you should have a say. Constant changes in Legislation need to be addressed by the Sportsmen. We use our Newspaper, website, email listings and membership rolls to bring issues to you. We need to be able to contact as many of you sportsmen as possible.

The future of our Sports depend on having a Legislature receptive to the Sportsmen's needs.
